This is to certify that Bryan Moore, trading as SPURHAND Pty Ltd. has recently been working for us in the restoration of the "Brickwork" at the Northbridge Masonic Centre.

The work involved;

- a) Replacing above all windows frames, the rusted out (85 Yr old) "arch bars" with new galvanized bars.
- b) Relaying and pointing, various courses of brickwork that had become loose and unstable.
- c) Installing Stainless Steel Helifix Dry "wall ties", in a section of the wall that had bowed over time.

At all times we found Bryan and his staff, professional, helpful, punctual, and courteous in all our dealings with him.

In addition, with the removal of the Scaffolding, he was more than willing to clean up his, and also other subcontractors rubbish, and left the site in a clean condition.

We would have no hesitation in recommending him to any future client.

A handwritten signature in blue ink, appearing to read "D G W Nicholls".

Director.
